

KLASH DRUM LESSONS policies + info

GENERAL INFO

Klash takes pride in providing the highest quality drum lessons! We offer lessons at three levels of skill (all prices shown are for weekly 30 minute lessons, prices are double for 60 minute lessons):

Tier 1 (\$80 / month) - is essentially a beginner level 'crash course' to help drummers get started with the basics.

Tier 2 (\$100 / month) - has the core drumming curriculum, with complete training in:
technique - reading rhythms - timing - basic rudiments - grooves - fills - songs

Tier 3 (\$120 / month) - contains all advanced topics:

soloing techniques - advanced songs - using rudiments in rhythms / grooves / fills - writing notation - developing speed / coordination / agility - and much more.

Our pricing is month-to-month, no contract. You are entitled to keep the same lesson time every week as long as you are actively paying for it.

Students are expected to have their own instruments and instructional books for practicing at home (both are available at Klash). Consult your instructor or the Klash staff for detailed recommendations!

Recommended practice time between lessons is a minimum of 1-2 hours per week (this can be broken into smaller practice sessions), to sufficiently develop the skills taught in each lesson.

**Covid precautions: We practice social distancing and require masks. Our lesson studio is well ventilated to the outdoors and has a large plexiglass shield separating the drumsets for increased safety.

TUITION AND PAYMENT INSTRUCTIONS

Lesson tuition is **due at the beginning of each month**, no later than the 7th please.

Payments can be made to Klash, either in person (cash, check, or card) or over the phone at (612) 208-5716.

Our tuition prices already factor in the exclusion of major holidays, so there are no lessons on New Years Day, July 4th, Thanksgiving, or Christmas Eve / Day, and tuition stays the same every month.

CANCELING / RESCHEDULING LESSONS

In the event of a non-holiday cancellation (by the student or teacher), you have the option to reschedule the lesson as a 'make-up', as long as you provide **at least 24 hours advance notice** for your cancellation. Otherwise you can still skip the lesson (but please still let your instructor know ASAP so they can adjust their schedule appropriately). You can reschedule anytime up to 1 month from the date of the lesson.

(Note: If your regular instructor's schedule doesn't have any workable options for rescheduling your make-up, we can either facilitate your lesson with a different instructor or be flexible about the 1-month scheduling limit.)

*PLEASE do not bring yourself or your children to lessons in the event of any illness that is potentially contagious, including a cold! We do not want to contract anything or spread illness to other students, and we prefer rescheduling over taking any risks. Thank you for understanding!
